For Larry Atwater, the water finally quit falling from the skies and he was allowed to display his foot-ball skills to an aroused Marion high school football crowd Saturday

The talented senior connected on 10 of 19 aerials for 143 yards to lead the Indians to a 30-19 win over previously unbeaten Tipton, improving the Indians mark to 2-2 for the sea-

son.
"We finally got a dry football field so we could bring out our passing game," said Indian coach Bob Thurness.

"I thought Atwater threw the ball real well but we also gained a lot f yards on the ground. Steve Ransier did a fine job for us, as did all our

"Really, I guess it was a whole team effort. Quite a win for us," praised Thurness.

Atwater didn't steal the whole aerial show however as the Tigers brought along a strong armed quarterback of their own, along with a glue-fingered receiver.

Jeff Cawiezell, a 6-0, 165-pounder led the vaunted Tipton offensive attack as he connected on 10 of 19 passes for an amazing 193 yards and two touchdowns.

Fleet-footed Dave Reid latched onto seven of those aerials for 142 yards and one touchdown, a 58-yar-

Ransier put the Indians on the board early as he blasted off right tackle from ten yards out with 10:58 left in the first half for Marion's first score. Ransier added the two-point conversion and it was quickly 8-0.

Tipton came right back with two quick scores of their own as Cawiezell hit Reid with a 58-yard scoring strike and Kevin Anderson bolted in from six yards out.

Atwater put the Indians ahead with just 54 seconds left in the half when he hit Sean Mooney with a 19yard aerial, and with Brad McAreavy's two-point conversion it was 16-13.

Tipton scored on a Cawiezell to Mike Hopper pass with 2:27 left in the third quarter.

# Rugged Regis Romps Past Prairie 30-0

By Bob Hersom

Maybe Cedar Rapids Prairie football Coach John Oertel most accurately summed up his team's 30-0 loss to underrated C.R. Regis Satur-

day night.
"We got out-played in every facet of the game," said the first-year Hawk coach. "We didn't do anything

Pick a statistic and it will show how Regis dominated the action on Prairie's John Wall field. The Royals:

• Had 21 first downs, Prairie six. • Were never forced to punt.

Matt Schmitt's 51-yard end run in the third quarter, which would have gone for a 65-yard Prairie touch-down if Regis cornerback John Carroll hadn't caught him at the Royals'

14, produced almost half of Prairie's total yardage.

Except for that run, the Hawks were held to 32 yards in 22 second half plays.

Regis' first win in four games also erved to show how deceiving wonlost records can be.

The catch to the class 3A Royals' 1-3 record is that they have lost to three of the best prep teams in Iowa and Missouri: to C.R. Kennedy and Newton — two of the three 4A unbeatens left in Iowa — and to St. Louis Burroughs, a ranked power in

"It would have been real easy for our kids to get down on themselves after those first three weeks," said Regis Coach Tom Good. "But they've hung in there and they looked tough tonight. We're real pleased with

Good, whose career record at Regis is 117-42-3, said he was especially pleased with the effort exerted by quarterback Mark Seifried, who started for the first time after illness or injury sidelined Doug Chadima and Mike O'Connell.

Regis out-gained Prairie 119-41 in the first half but held only an 8-0 lead. In the second half, Seifried guided the Royals to touchdowns the first three times they had the ball. He also tossed a pair of two-point conversion passes.

Five Royals ran for between 43 and 60 yards apiece:

John Lorel ran nine times for 60 vards and a 16-yard touchdown.

In nine carries, Dave Bomkamp ran for 43 vards and two TDs.

Kip Kula, who was injured late in the second quarter, plowed for 49 yards in 11 carries in the first half

and finished with 53 in 14 attempts. Two juniors had the most impressive per-carry averages: Dennis Miller gained 55 yards in only five carries and John Downey rambled for 56 yards in just six runs.

And Cougar coach Greg Reed knows it.

"I guess I'm stunned," Reed said in Kennedy's locker room following the eighth-ranked Cougars' victory. "This is the first time I've ever been associated with a team 4-0."

Crocker's school-record rushing performance came on 39 carries. The flashy 6-1 180-pound senior also scored two touchdowns and hurled a 43-yard scoring pass to Tim Kadlec.

Crocker was complemented by strong-running junior fullback Pete Oates. Oates bullied for 137 yards on 22 carries as Kennedy racked up 21 first downs rushing.
"The offensive line did another

outstanding job," Reed said. "Make sure you mention Mark Lukes, Ron VanHoeck, Mark Miller, Bill Roby, Bryan Shepard, Larry Fisher and Cory Holladay. They did a super job.

"Two other guys that don't get a lot of credit because they don't carry the ball much are Kyle Galles and Scott Warren," Reed said. "But they really keep 'em honest." Kennedy tallied twice in the first

half on drives of 78- and 85-yards. Crocker capped a 14-play first-quarter drive on a four-yard plunge and his halfback pass to Kadlec resulted in the Cougars' second TD.

left in the game and Dayton Coach Rick Carter elected to go for the three points. Strecker obliged with his third 3-pointer, this one from 37 yards out.

With Daily tossing, however, it wasn't really over until late in the game. At one time, the Flyers were pushed back to their own one but moved deep into Cyclone territory via the air lanes before a costly fumble lost 20 yards.

In fact, it was really in doubt until the final few minutes when a short kick by sub punter Jim Jensen, filling in for injured Tom Southard, gave Iowa State excellent field position and the Cyclones kept the Ohio squad with its back to the wall the rest of the way.

That, and a light rain that helped curtail the passing for both clubs, finished off the Flyers

Dayton's Carter disagreed with the Cyclone fans who voiced complaint near halftime for the lack of

"No, I don't think the play calls were wrong," said Carter. "I think it was our defense. It may have looked like a 9-man line at times, but it wasn't. We did sometimes go to an

8-man line, but never on first down.
"It's a defense that Miami, Ohio, has used with excellent success and it worked well for us today."

Carter was asked if he thought Dayton could have won Saturday's game. "Could Dayton have won this one?" he answered. "I think that's for you guys to judge. Our people gave a good account of themselves. I think our people can go home with their heads high.

Carter denied that his defense keyed on Green, who had been averaging 4.5 yards a carry and was held to less than a two-yard average Saturday. At least, not by name.

Standout linebacker Tom Boskey was dressed Saturday "and may have been able to play. We didn't play him however, but he will be ready for Missouri next Saturday."
