Real poor boys

If we said we have two friends, you might be tempted to say, "Ah so, I am surprised," but we'll ignore that and push on.

One of these friends is a Cyclone fan, **Punchy Fisteras**. He asked us if we didn't suspect Iowa's **Hayden Fry** was guilty of what Hayden himself calls "pore-boyin' it" by pointing to the inexperience among the Hawkeyes and saying all logic should favor ISU today.

Before we could answer, our other amigo inserted: "Did you ever stop to think maybe Hayden really is a pore boy this season? His Hawkeyes won a Big Ten co-championship last year with mirrors and a stout defense. The latter just about all graduated. Could be this is the start of a very long season at Iowa?"

We got to mulling that over, and another question came to mind. Have you considered the Iowa-ISU classic will match a team with a two-game losing streak against one with a five-game loss string?

True, Iowa's double dips have come against the teams — Washington and Nebraska — currently rated No. 1 and No. 3 in the AP poll. And one of Iowa State's losses was against Nebraska last year when the Huskers were pretty tough, too.

Neither of our state's giants has a schedule that looks so hot at the moment. Iowa's 11 foes have a collective 6-6 record, not counting the Hawkeye loss to Nebraska. ISU's opponents are 5-7, not counting the Cyclone defeat by Tennessee.

Pass the hash

Florida linebacker **Wilbert Marshall** recalls Georgia's **Herschel Walker** gained 192 yards in 47 carries and scored four touchdowns in Georgia's 26-21 win last year.

"We hit him with everything we had," said Marshall. "Sometimes we'd have four or five people hit him, and I mean hit him hard. It never seemed to faze him. He'd just bounce back up and look at us. He never said a word."

Next day Florida Coach **Charlie Pell** supposedly called Georgia Coach **Vince Dooley** and said, "Please tell me that at least Herschel is sore today."

Don't know what all the fuss is about in the National Football League. With all the tape and other things they put on their hands, most of the players aren't able to shake hands before games anyway.

They're writing songs about "Champagne Tony" Eason at Illinois, and it's true the Illini have a 2-0 handle on the Big Ten so far. But Minnesota's **Mike Hoenes** is far ahead of Eason in conference passing statistics.

Eason faces Syracuse today in the latter's Carrier Dome. There's no wind in there to affect his passing. Against Michigan State last week, Eason passed much more effectively against the wind than with it. In the two quarters with the wind, he completed 14 of 19 for 199 yards. Against the wind he was 11 of 23 for 102 yards.

So Oklahoma wins in its suit against the NCAA's control of football television. Hmm, judging by the way the Sooners opened the season (41-27 loss to lightly regarded West Virginia) you'd think Oklahoma would prefer to play its games in private.

Incidentally, can you believe the Sooners, who usually fumble a lot while gaining mucho ground with their wishbone, didn't fumble once? "I never would have believed we could play a whole game without fumbling and lose," sighed coach **Barry Switzer**.

Bob Uecker, baseball broadcaster and former catcher, was asked about his skill at catching knuckleballs.

"The pitcher would throw the ball," Uecker replied, "and I'd just run it down and pick it up."

Linn-Mar 'jams' Regina in ECIC opener, 15-6

By Don Dossie

Gazette sportswriter

IOWA CITY — With the playing conditions about as navigable as a bowl of jam, the Linn-Mar Lions decided to go back to a plain old bread and butter offense.

With fullback **Greg Nielson** leading the way, the No. 2-ranked Lions kept things simple as they hammered out a 15-6 victory over Iowa City Regina in high school football action at Regina Friday night.

Nielson carried the football 31 times through the mud, gaining 175 yards, as Linn-Mar upped its season record to 3-0 and its East Central Iowa Conference record to 1-0. Regina is now 2-1 and 0-1.

"Since the footing was going to be bad, we decided to just go right

at 'em," said Nielson, who was effective all night, gaining 88 yards in the first half and 87 in the second.

"You can't make a lot of quick cuts on a field like that. You just have to keep your feet moving and keep going forward. The linemen really did a super job. I can't say enough about them."

Despite the low score, the Lions actually controlled the ball most of the night, piling up 352 yards and 21 first downs. They had the football eight different times and seven of those times moved it forward at least 30 yards. They had four drives of 45 yards or more, three of which resulted in points and the last of which ran the final seven minutes off the clock.

The longest of their drives came

in their first possession as the visitors marched 77 yards in 10 plays. Nielson carried on six straight plays at one point but it was wingback **Scott Underwood** who slogged the final 33 yards into the end zone. Ron Rittgers' extra point kick was wide but the Lions led, 6-0.

They advanced the ball 44 yards in their next possession, too, but that drive ended with their only turnover of the game — an interception by the Regals' **Dan Wirtz**.

Rittgers barely missed a 47-yard field goal after a 30-yard march the next time they had the ball but they got it back moments later on a controversial interception by defensive lineman **Joe Heyer**.

Wash tops Kennedy in wild free-for-all

Gazette photo by L.W. Ward

Randy Nelson rushes to the Kennedy two-yard line to set up Washington's first touchdown. The Warriors held a 21-0 edge at halftime and went on to win 21-14 despite a Kennedy rally in the second half.

By Brian Chapman

Gazette sportswriter

Almost everything a fan could hope to see in a football game was on display in Kingston Stadium Friday night.

And, for that matter, everything that would make a coach's knees quiver and his stomach ache, too.

Cedar Rapids Washington outlasted crosstown rival Kennedy, 21-14, but it wasn't your standard game. Not by a country mile.

To be sure, there was plenty of "normal" excitement in abundance: pass interceptions, fumbles lost, quarterback sacks, long pass completions and longer runs.

Sprinkle in a bit of the unusual, like a center snap that sailed over the punter's head, a couple of flea flickers and a halfback pass that appeared doomed for failure only to turn into a touchdown, and you've got excitement!

The workman-like Warrior troops of Wally Sheets mounted what was a seemingly unclimbable 21-0 lead in the first half.

Kennedy came out for the second half after sputtering and misfiring most of the first two periods. The trend continued, and the Cougars punted after three downs.

Wash tailback **Randy Nelson**, who turned in a stellar performance by picking up 144 yards on 28 carries, ran for 10 yards then

committed his only error of the night — a fumble.

Kennedy, with the ball on the Warrior 42, caught fire.

Cougar quarterback **Brad Sleep** dropped a long aerial over a defensive back and into the hands of **Rick Fry** for 31 yards. Three plays and three yards later, tailback **Tim Batterson** rolled right and seemed to be looking for an opportunity to pass. Kennedy's receivers were covered, but several blockers came to Batterson's aid and the 6-3, 197-pounder darted up the sideline for a TD.

Following a 14-yard gain, the Warriors lost 1, 1, and 7 yards. The fourth down snap was short and quarterback-punter **Bob Happel** was nailed for a short loss.

It wasn't long before Kennedy closed the game to 21-14.

Sleep connected with Fry, who was waiting in the right flat, and the scatback immediately flicked the ball to running back **John Smith**. The play went for 20 yards.

On the next snap **Sleep** fired a pass to Batterson, again in the right flat, and Batterson danced up the sideline for a 14-yard touchdown.

Early in the fourth quarter, events turned from bad to worse for Washington. A Happel punt bounced its way to the Kennedy two, but a penalty brought the ball back. The next snap sailed over

Marion hikes Wamac string in 37-6 stroll

By Mark Dukes

Gazette sportswriter

Odds makers would have made Marion a prohibitive favorite to defeat Vinton Friday night, and they wouldn't have lost a dime.

The Indians, recording their 20th straight Wamac Conference victory, opened defense of their league title with a 37-6 waltz over Vinton in high school football at Marion.

In winning its second game in three starts, Marion posted its 15th consecutive victory over the Vikings. The Indians have not lost to Vinton since 1967 and have not dropped a Wamac game since an overtime defeat to Anamosa in 1979.

"Everybody thought we should have won, yet we played a good football game," Marion Coach **Dave Messerli** said. "We didn't mess around and that's why I'm proud of

the way we played.

"We're excited because this was a big game. It started our Wamac season off on the right note and we got to play a lot of kids. But it was also a very tough game, because this was one of the hardest hitting Vinton teams I've seen recently."

Most of Marion's starters went to the sidelines midway through the third period, carrying with them a 37-0 cushion. Marion's front-liners were impressive, as they outgained Vinton 271-105 and had no turnovers nor penalties.

The Indians, ranked No. 10 in Class 3A by UPI, gained 315 of their 356 total yards on the ground. **Jeff Wisehart** and **Todd Twachtman** — Mr. Inside, Mr. Outside? — combined for 28 carries and 215 yards.

Twachtman scored two touchdowns, rushed for 93 yards, inter-

cepted a pass and kicked an extra point. He increased his 3-game season totals to 388 rushing yards, seven touchdowns and 44 points.

Wisehart was just as impressive, accumulating 122 yards on just eight carries, darting outside for runs of 53 and 41 yards. He scored once and ran for two, two-point conversions.

The Indians specialized in long drives in the first half, rolling to a 22-0 lead on marches measuring 76, 78 and 95 yards.

On its first possession, Marion used 11 rushing plays to move 76 yards. Twachtman carried seven times for 33 yards, and Wisehart capped the drive with a four-yard run over the left side. Quarterback **Steve Panek**, Twachtman and Wisehart combined on a triple-option run for the two-point conversion.

Five minutes later, Marion em-

barked on a five-play, 78-yard series that ended in Twachtman's 16-yard sweep of the left end. Wisehart scooted 41 yards on the second play, as only Kipp Schoettmer's tackle saved a touchdown.

Vinton appeared to have cut the deficit to 14-6 with 6:12 left in the half, but quarterback **Jim Belnap**'s marvelous 53-yard run was nullified by a clipping call.

Charlie Hite's 36-yard punt pinned Marion back on its five-yard line, but that didn't stop the Indians for long. Six plays into the series, Wisehart followed a beautiful block by **Chris Kalous** and went 53 yards to the Vinton 21. After Kalous hauled in a 20-yard pass from Panek, Twachtman scored from the one with 44 seconds left in the half.

Panek posted his first touchdown pass of the season, hitting Kirk

Mahurin on a six-yard slant with 6:25 left in the third quarter. Scott Wilson's recovery of Belnap's fumble at the Viking 16 set up the score.

Junior **Mike Simpson** completed Marion's scoring, returning a punt 50 yards down the right sideline for his first varsity touchdown. Twachtman's kick made it 37-0.

Belnap, a 5-foot-11 senior who ran for 78 yards and passed for 48, got Vinton on the board with 10:29 left. He found 6-3 senior **Randy Scheel** in the back of the end zone for an eight-yard scoring strike. Highlighting the six-play series was Belnap's 28-yard scramble and his 20-yard pass to **Todd Bohnsack**.

Scheel was the game's top receiver with three catches for 28 yards. Vinton's **Steve Schwartz** had 60 yards on 10 carries.

J-Hawks' wait over, whip City High, 22-8

By Bob Denney

Gazette sportswriter

IOWA CITY — Welcome to the Mississippi Valley Conference, Iowa City High Little Hawks.

And, relax **Bill Calloway**. Welcome to victory lane.

The road was arduous the past two weeks for Cedar Rapids Jefferson's J-Hawks and first-year football coach Calloway. Two straight setbacks by a combined 49-13 margin made winning a game a must. The J-Hawks must have forgotten their trials and took their frustration out on Iowa City High Friday night at Frank Bates Field.

The J-Hawks combined the passing combination of **Steve Wise** to **Bob Driscoll** and a stiff defense for a convincing 22-8 victory over the Little Hawks. The victory made Jefferson 1-1 in the Valley, and 1-2 overall. City High, 1-2 overall and saddled with its second straight loss, will have to wait another year to stop Jefferson. The Little Hawks haven't beaten Jefferson since 1961.

Calloway, meanwhile, appeared like a man acquitted of all wrongdoing. If there was a "monkey" on his back, it was off looking for another perch.

"The media reminds us of our problems the last two games," said

Calloway, "but last week against (Dubuque) Hempstead, we turned the ball over seven times and dropped six or seven passes. We beat ourselves."

"The kids have come back. They showed character. The offensive line has come miles for us. As a coach, it has been a period of adjustment and I'm blaming myself. We have a ways to go, but we're getting there."

The J-Hawks' interior line protected quarterback **Wise** with ferocity. Wise uncorked 14 passes, hitting on 11 for 157 yards and three touchdowns. His favorite target, senior tight end **Bob Driscoll**, couldn't have been happier.

The 191-pounder caused City High's secondary fits all evening, as he crossed over, around and under the coverage for seven receptions and 120 yards.

Driscoll highlighted the opening series of the game, capping a five-play, 55-yard march with a 20-yard scoring reception only three minutes into the first quarter. The extra point attempt failed.

The J-Hawks' air show set the tempo for the night on a wet and sloppy turf. Jefferson marched back after stopping City High on the 32-yard line. Wise directed a nine-play

slipped out of the hands of quarterback Joe Auer and he appeared to be running for a touchdown. But one of the officials inadvertently blew his whistle, stopping play.

The Lions, undaunted by the bad break, moved quickly downfield as quarterback Bob Busch connected with Underwood on passes of 37 and 11 yards. Rittgers booted a 22-yard field goal with four seconds to go in the half, making it 9-0.

The Lions virtually wrapped things up on their first drive of the second half, pummeling 69 yards on 13 running plays to score again. Nielson crashed over from three yards out but a bad snap aborted another extra point.

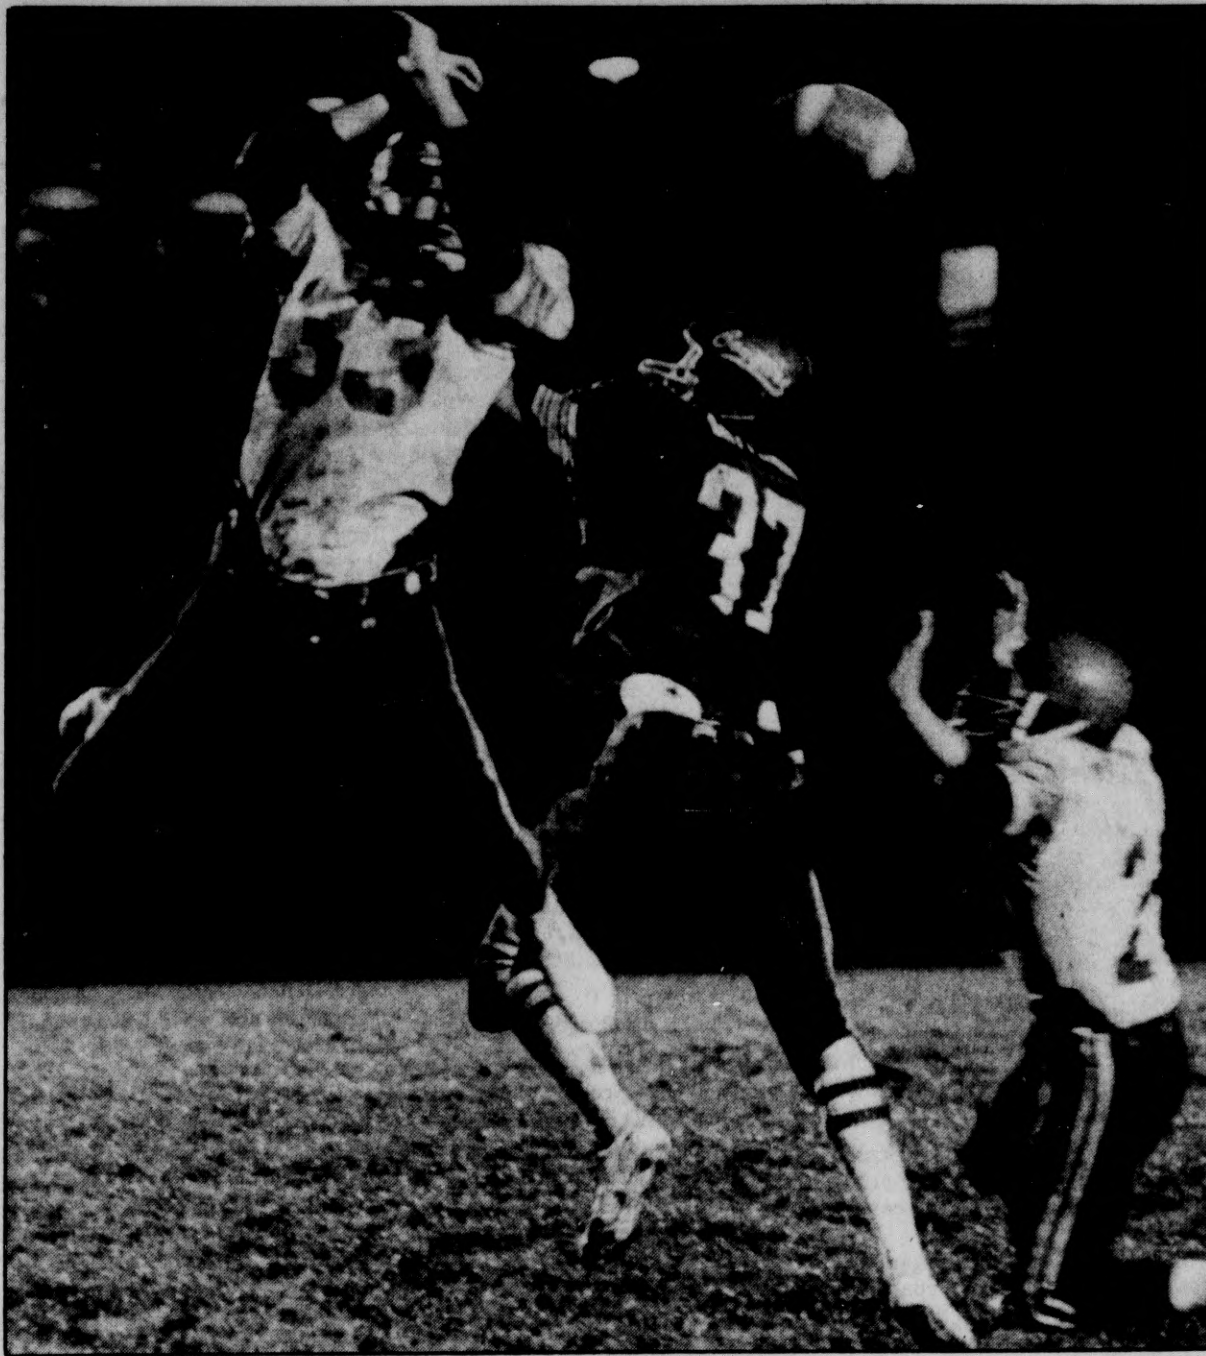

The Regals countered with a scoring march of their own early in the fourth quarter as running back Pat Halsch and quarterback Auer guided the team 75 yards downfield. Auer sneaked in from a yard out and although a two-point conversion attempt failed, it looked like the Regals might be back in the game with 7:05 remaining.

Little did they know they wouldn't even get the ball back. With Nielson and Mike Corrigan taking turns carrying, Linn-Mar controlled the ball for 16 plays to run out the clock.

Linn-Mar Coach Greg Purnell was especially happy with the victory since it came without the help of five starters, many of whom were out with illnesses.

"I was really pleased with the way some of the other kids filled in," he said, citing linemen Reid Woods and Dave Dolezal among others.

Dolezal was among the defensive stars as he twice sacked Auer for losses of six and 11 yards.

West Branch cuts Solon down to size

By Bob Hilton
Gazette sports reporter

WEST BRANCH — Turning disadvantage to advantage, West Branch fashioned its fourth straight shutout victory over Solon Friday night and earned the team-to-beat tag in the Eastern Iowa Hawkeye Conference football sweepstakes.

Both teams went into the game 2-0 and unscored upon.

Pitting its speed against Solon's superior size, West Branch figured to need a dry field to be at its best. Instead it got a field made mucky by six hours of rain.

But, as Coach Tom Noshish observed, "the mud seemed to slow Solon more than it did us."

Led by 170-pound senior workhorse Willie Ramsey's 117 yards on 17 carries and 160-pound junior Brad Bartelt's 84, also on 17 carries, the Bears outrushed the Spartans, 287-113.

Ramsey also was in on 15 tackles. West Branch got much of its yardage up the middle, which it had been expected to avoid. And it got none passing, where it had been expected to try for much.

"The game conditions did keep us from throwing," Noshish said, "but after we got two early touchdowns we didn't want to throw, anyway. Besides, we were moving the ball on the ground."

"That surprised me. Our linemen really fired off the ball. It really pleases me that we moved so well against a bigger team, because we have a few more bigger teams ahead of us."

"We just made too many mis-

takes," Solon Coach Ed Hansen summarized tersely.

West Branch used a blocked punt and an intercepted handoff to chalk up a 14-0 lead a minute into the second quarter, then blasted 64 yards to score in seven plays after the second-half kickoff.

Solon's first mistake produced a motion penalty after Tom Olney had ripped off an eight-yard gain on the first play of the game. That gave the Spartans first-and-15 on their own 13, instead of second-and-2 on the 26.

Although West Branch wasted its first opportunity, Solon couldn't get out of the hole.

Marv Cook, a rangy 190-pound junior who quarterbacks the Bears, plays defensive back, punts, kicks off and kicks conversions, blocked Mike Steinbrech's punt and recovered it at the Solon 10.

A motion penalty helped the Spartans kill that threat at the 6, but Olney's punt skidded out of bounds at the Solon 25, and West Branch was in position again.

This time the Bears collected. With Bartelt cruising 13 yards around right end and Cook sliding outside right tackle for 7, they reached the 1 in five plays. Ramsey bolted over right guard for the score with 2:24 left in the first period.

West Branch forced a Solon punt and took over on the Spartans' 47. But Cook promptly returned the ball to Solon with an errant pitchout that Jim Linden recovered on the West Branch 44.

Prairie rallies, 20-14 Washington

From page 1B

VAN HORNE — Running back Jon Shebetka scored two fourth-quarter touchdowns as Prairie rallied to down Benton Community, 20-14, in an East Central Iowa Conference prep football opener Friday night.

Shebetka, a 6-0, 175-pound senior, tallied on a three-yard run and a one-yard plunge in the final period to help the Hawks, 1-2 overall, overcome a 14-7 deficit.

Benton, which dropped to 1-2, grabbed a 7-0 lead in the second quarter when kicker Randy Pickart faked a field goal attempt and fired a seven-yard touchdown pass to Brian Selk.

The Bobcats upped their lead to 14-0 in the third period when quarterback Steve Rohlena hit Gary Kearns with a seven-yard scoring strike. Pickart followed with the

second of his two PAT kicks.

Prairie cut the Benton margin to 14-7 on a 25-yard touchdown run by senior Mike Marak and the first of two PAT's by kicker Terry Jones. Shebetka then added his two scores in the final quarter for the 20-14 decision.

"It was just an outstanding team performance in the second half," said Prairie head coach John Oertel, who guided the Hawks to the Class 3A title a year ago. "We weren't sharp at all in the first half, but we completed some key passes in the second half at the right time."

Junior running back Dave Bell led the Benton attack with 92 yards. Prairie quarterback Brent Osland, who completed six of nine passes for 64 yards, added 50 yards on the ground.

Happel's head and Kennedy recovered on the Wash 20.

The Cougars moved to a first down on the 10. On third and nine, Wash nose guard Bill Bulmer tossed Sleep for an eight yard loss. Next play, Joel Schriever picked off a Sleep pass and returned in 46 yards, ending the Cougars' chance for victory.

"There was more excitement than I would have liked for there to have been," said Sheets. "Give Kennedy credit, they came out the second half to play."

Kennedy coach Greg Reed had a similar observation: "I'm still disappointed we can't play two halves of football — this is the third game in a row this has happened."

Kennedy goes with seven juniors on offense, but veteran Sleep provided leadership and several key plays. The two-year starter completed 11 of 21 passes for 122 yards. He also recorded his first TD pass of the season.

But in the end it was the hardened Washington defense which made the difference. Warrior defenders lassoed Kennedy runners all night long, permitting only four ground yards. They forced five fumbles, recovered three, and intercepted Sleep at the critical moment.

The victory improved Washington to 2-1 overall and 2-0 in the Mississippi Valley Conference. Kennedy dropped to 1-2, 1-1.

LaSalle wins, 14-0

DYERSVILLE — Cedar Rapids LaSalle opened its East Central Iowa Conference season in good form with a 14-0 win over Dyersville Beckman Friday night.

Ball control and Beckman turnovers were the keys to the Lancers' second win in three games. LaSalle pounded out 266 yards of total offense, 163 rushing. Andy McKeown led a balanced Lancer ground game with 59 yards in 15 carries.

Beckman mistakes were a great help to the LaSalle cause. The Blazers lost three fumbles and had three passes picked off. Randy Dvorak had two of the Lancers' interceptions.

One turnover led to a quick LaSalle strike. A Lancer punt touched a Dyersville player, and the Lancers took over on the Beckman 5-yard line. Chris Stark ran two

yards for a touchdown two plays later. The first of Pat Loeffler's two extra-point kicks made it 7-0.

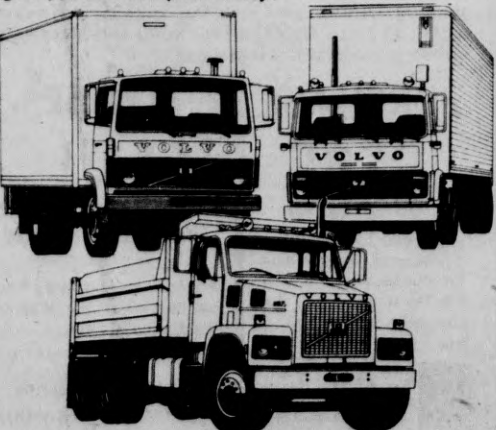

LaSalle's other scoring drive started at mid-field in the third quarter, and was hard-nosed football. McKeown eventually tallied the insurance TD on a two-yard run.

The Lancers, ranked 7th in Class 2A-1A by UPI, play Benton Community next Saturday at Kingston Stadium. Beckman, now 1-2, meets Linn-Mar at Marion next Friday.
