# It's over! West's losing skid ends

By Mike Slagle

Gazette Sports Correspondent IOWA CITY — The drought may not be totally over, but the drops of a sweet victory rained down on Iowa City West for the first time in nearly four seasons

Trojan quarterback Rob Rogers connected with Mario Senter for a 20-vard TD strike with 27 seconds left in the game to lift host Iowa City West to a 35-28 win over Cedar Rapids Prairie.

The win snapped West's 35-game losing streak. The last time the Trojans were victorious was in 1988, when they registered a 20-14 victory over Cedar Rapids Kennedy in that season's fourth

"A great win like this begins with a great week of practice," said a calm Trojan Coach Reese Morgan amid a throng of excited fans. "That is exactly what we had this week. Our fans better get use to winning, because there is going to be more on the way.

The Rogers to Senter TD aerial put the finishing touches on what was a see-saw game. The lead changed hands four times and appeared to be headed for overtime before the Trojan defense took charge late in the fourth quarter. Iowa City West allowed the Prairie offense one total yard in the final period and no first downs in setting the stage that we could win this game," Morgan however, back came the Hawks. Prairie for the winning TD pass.

Prairie (2-2) struck early. Brian Armstrong took the game's opening kickoff 80 yards around the left side of the field for a quick 6-0 Hawk lead. The PAT kick was wide right.

West came right back with its first possession going 70 yards in nine plays, capped by Senter's four yard run. The ensuing PAT gave the Trojans their first lead of the season, 7-6.

The Trojans took advantage of a Prairie turnover right before halftime. A 12-yard Rogers to Josh Lawler TD pass with under a minute remaining knotted the game at 14 at halftime.

"I knew our kids believed at halftime

said. "We feel that way about every game. If we didn't, there would be no use in playing them.'

Any doubt that West was focused on winning was erased 16 seconds into the second half. Trojan back Mpeti Lobeye took the kickoff and raced 83 yards to put the Trojans up 21-14.

"Winning is what it is all about," Lobeye said. "The whole team came together. This was a 'we' win.'

West (1-3) used a little bit of trickery in its next possession. Tailback Senter took a pitch and rifled a 19 yard TD pass to Greg Van Hoesen to put the Trojans up 28-14.

Just as quickly as West went ahead,

back Dusty Coufal plunged in from 1 yard out, capping a 10 play 65 yard drive to bring the Hawks within 8 at 28-20 at the end of the third quarter.

Prairie tied the score three plays later when Brian Lefebure blindsided Rogers, knocking the ball loose. Lefebure ran 47 yards with the fumble recovery, and after the two point conversion, the

Rogers was knocked out of the game for a period of about six minutes, but reentered the contest to engineer the final wining drive, a 39-yard march.

'All along we knew we could do this," said Lawler, who caught 10 passes for 105 yards. "Now, we finally have."

game was deadlocked at 28.

## Lions win physical battle, 18-15

By Jeff Johnson

Gazette sportswriter There were long passes, tough runs, hardhitting defenses and last-minute heroics Friday night at Marion's Armstrong Field.

In other words, just another Linn-Mar/Cedar Rapids Kennedy football game.

Split end Jeff Kinne caught a 14-yard pass from quarterback Jamie Hubler with just under four minutes remaining in the game and defensive back Pat St. John had two huge fourth quarter interceptions to help lead the host Lions to an 18-15 victory over visiting Kennedy.

Linn-Mar improved to 3-1 in the Valley Division of the Mississippi Valley Conference. Kennedy dropped to 2-2 in the Mississippi Division of the conference.

"I'm just really proud of our kids," Linn-Mar Coach Greg Purnell said. "The effort that they put forth tonight was one that our fans, student body and coaches will remember for a long time. It was just a tremendous team effort."

Linn-Mar entered the final quarter with an 11-7 lead but saw Kennedy take the lead, 15-11. with 81/2 minutes remaining when Cougar running back Eric Martin scored on an 8-yard run and Kennedy quarterback Jarvis Allison threw a two-point conversion pass to Derek Roberts.

The Cougar points were set up when defensive end Jason Jones recovered a Linn-Mar fumble on the Lion 32-yard line. Martin, who had 93 yards on 18 carries in the game, toted the ball six straight times to cover the 32 yards.

Kennedy then forced a Linn-Mar punt on the ensuing possession. Lion Pat St. John then stepped in front of an intended Cougar receiver and picked off an Allison pass towards the sideline with 5:43 left, putting the ball on the Kennedy 25-yard line.

"I HAVE TO GIVE the credit to (defensive end) Josh Hayler for that one," St. John said. "He was putting pressure on the quarterback from behind and made him force it a little bit. I

just stepped up and grabbed it.' It then took four plays for Linn-Mar to get the

deciding score. After three runs, Hubler went back on a play-action pass and hit Kinne in the right flat. He squirted away from defensive back Aaron Woods at about the 5-yard line and scampered into the end zone.

St. John then ended any Kennedy comeback hopes by picking off another Allison pass at midfield with 2:39 remaining.

"KENNEDY IS ONE of the most physical teams I've ever seen in the Mississippi Valley Conference," Purnell said. "Our kids were outweighed, but they hung in there and they sure weren't outplayed. Whoever won that football game tonight would have played a good football game to win it.'

Kennedy took a 7-0 lead in the first quarter when it drove 68 yards in 71/2-minutes on its first possession. Martin scored the touchdown

Linn-Mar took the lead just before the half after stopping a Kennedy fake punt attempt on fourth down at the Linn-Mar 40

Wingback Mike Shipley took an inside shuffle pass from Hubler and scampered 48 yards to the Kennedy 4. Clint Nelsen scored two plays later on a 3-yard run around left end with 1:44 left in the halfand Hubler ran for the two-point conversion on a fake extra-point to give Linn-Mar an 8-7 halftime edge.

Linn-Mar took the opening possession of the third quarter and drove inside the Kennedy 10. But two quarterback sacks stopped the drive and Lion kicker Eric George nailed a 33-yard field goal to give Linn-Mar an 11-7 lead.

Hubler completed 9 of 12 passes in the game for Linn-Mar for 166 yards.

"We were really down after last week (a 56-13 loss to Iowa City High)," Hubler said. "But we had a heck of a practice and really worked our butts off this week. We came out and played a great game.

## Connors tops error-prone Navratilova

LAS VEGAS (AP) - Jimmy Connors beat Martina Navratilova in a quasi-tennis match Friday night and her defeat was mostly her fault.

Or mostly her double-fault, to be exact. Connors, a 6-1 favorite in man-to-woman betting, won 7-5, 6-2 before a sellout crowd of 13,832 outdoors at Caesars Palace. Both stars came to play

and not to create an event, like Bobby Riggs' infamous "Battle of the Sexes" with Billie Jean King at the Astrodome in Houston 19

years ago. "Jimmy played great," Navratilova said. "I was really impressed with how he handled the pressure. I guess I'm glad it's over."

There were few exchanges among the players and hardly any between them and the fans during the struggle for a winner's

**Jimmy Connors** prize of \$500,000. Navratilova committed eight double faults and

two of them were key. With Connors up 6-5 in the first set, Navratilova

double-faulted away set point.

Connors was leading 3-2 in the second set and was ahead 15-30 with Navratilova serving in the sixth game when she double-faulted again. Connors then broke service, held his own and broke service again to close out the match.

Connors, on the other hand, had only six double faults, although he was allowed just one serve. This meant if he faulted, it was automatically a

double fault. Another bend of the rules allowed Navratilova to serve to a wider court. She had 2 feet, 3 inches extra on each side, or half of the doubles alley. She, however, scored only six points on shots into

the doubles lane. "I didn't take advantage of the alleys," Navrati-

#### BATTLE OF SEXES

lova said. "I served poorly today.

"I was more nervous today than any match I've ever been in," said the 35-year-old Navratilova, who has won 160 women's single titles, including nine Wimbledons and four U.S. Opens.

She said she took the match because "at my age, it's difficult to do something different.'

"I thoroughly enjoyed playing Martina," said the 40-year-old Connors, a winner of 109 singles titles, including two Wimbledons and five U.S. Opens. "I didn't know what to expect going out there playing

While Connors didn't know what was coming, what he got in the first set was a severe challenge and probably a bit of a shock when Navratilova broke his opening service. The fans obviously enjoyed the match, shouting

encouragement to their favorite, and there was very little levity among those in the crowd, which seemed to appreciate the performance of the play-

The most boos came during the warmup after Connors hit a ball into the crowd, and the umpire told the crowd to return the ball.

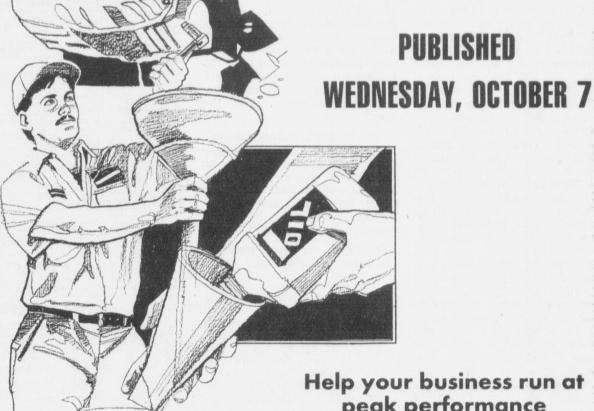

The match was witnessed by Riggs and King, who engaged in their "Battle of the Sexes" before more than 30,000 in 1973. King won that \$100,000 winner-take-all match 6-4, 6-4, 6-3.

At the time, King was one of the leading players

on the woman's tour while the 55-year-old Riggs was a former Wimbledon and U.S. Open champion and a tennis and golf hustler of some note.

While Connors got the \$500,000 prize, he and Navratilova also got substantial appearance fees, which weren't announced but were estimated to be anywhere from \$200,000 to \$500,000 apiece.
