■ NEW YORK — Danny Tartabull tied the score with an RBI groundout in the seventh, and Wade Boggs drove in the go-ahead run with another groundout in the eighth, to give New York a crucial victory.

New York, which dropped three games behind first-place Toronto on Thursday, knew the Blue Jays had beaten Minnesota 4-2, and couldn't afford to drop four games back, a deficit the Yankees haven't seen since June 17. But Boston's bullpen couldn't hold the lead, and the Yankees got a reprieve.

Warriors grind out win over Regis

By J.R. Ogden

Gazette assistant sports editor Washington Coach Wally Sheets got what

he wanted. Regis' Gaylord Hauschildt didn't. The result was a 20-6 Mississippi Valley Conference prep football win for the Warriors at Kingston Stadium Friday night.

"We worked hard on the ground game this week," Sheets said after his Warriors (2-1) piled up 169 rushing yards. "I thought we needed to run the ball because we hadn't done that too well in the first two ball

The Warriors had little trouble running the ball last night.

Aaron Burrell carried the ball 21 times for 100 yards, but could have had much more. Maurice Blue added 87 bruising yards on just 16 carries.

"I was just happy with the way we played overall," said Sheets.

Hauschildt, on the other hand, was a little disappointed his troops couldn't move the ball better through the air. Quarterback Damon Franklin completed 9 of 21 passes for 69 yards, including a 15-yard scoring strike to Adam Scott in the second quarter.

"We thought we could pass a little better against Washington," Hauschildt said, crediting Franklin with a "gutsy game."

Franklin connected on 6 of 13 passes in the second half, including his first four. "He hung in there all the way through," Haus-

The big difference for the Royals (1-2), however, was their inability to mount a ground attack. In last week's 14-7 win over Jefferson, the Royals totaled 228 rushing yards. Against the Warriors, they managed

just 46 with leading Charles rusher Schimberg getting just 20 on 10 carries.

"He was drawing a lot of attention," Hauschildt said of Schimberg, who carried the ball just three times in the second half, once on a fake punt.

"Washington was a really physical team tonight," Hauschildt added. "They came at

100 yards rushing Besides holding Regis to just 115 total

yards, Washington gave up just five first "I thought we played well defensively,"

said Sheets. "Our front five did a good job, as did our linebackers. WASHINGTON SCORED first on a four-

yard run by Burrell after Blue stripped the ball out of Franklin's hands and covered the

fumble at the Regis 6-yard line. Then, after Burrell returned a Regis punt 44 yards to the Royal 16, Washington quarterback Jeff Shaw connected with Ryan Vick from 15 yards out for a 13-0 lead.

Washington thought it had another touchdown minutes later when Mark Beltz returned an interception 42 yards for the score. But a penalty not only brought the return back, it also gave Regis back the ball at their own 44, kicking off a 56-yard drive capped by Franklin's pass to Scott.

The Warriors opened the second half with a 74-vard drive, highlighted by Burrell's 46yard run around the right end. He outran all the Royal defensive backs and was headed for an easy touchdown when he fumbled out of bounds at the Regis 23. Six plays later, Shaw plunged one yard for the game's final score.

"I saw the end zone . . . and got too happy," said Burrell, a speedy, 6-3, 180-pound junior. "I was too proud of myself."

Burrell totaled 85 yards on 12 second-half

"Up front the blocks were real good in the

second half," he said. Sheets said Burrell is just learning how to

attack the line of scrimmage.

'That's what Aaron has to do," he said. "He has so much speed, he just needs to hit the line harder and make a hole when there's not one there

City High's," Linn-Mar coach Greg Purnell said. "People can talk about Tim Dwight all they want, but tackle to tackle, offensively and defensively, they handled us completely.'

Defense, though, was the order of the day for the City High coaches.

We have a pretty good defensive football team, and (the defense) took the game over," City High Coach Larry Brown said. "Coach Dan Sabers put together a great defensive plan and the players took it to 'em."

Linn-Mar, which came into the game with the MVC's most productive offense, was held to just 51 total yards - 53 passing and minus-2 rushing. Ten Linn-Mar offensive plays resulted in losses of 56 yards.

"Coach Sabers, baby, he's a genius," praised Little Hawk defensive tackle Eric Nelson, a main man in the Little Hawks' defensive front.

Sabers took the accolades in stride.

"The (defensive) plan was to get as many people doing as many things as we could," he said. "I went into Tueday wondering if maybe I was trying to do too much. We threw a lot at our kids, and this week's practices were unbelievable."

The defense was led by Nelson, nose guard Corey Honore, tackle Luke Donahue and linebacker Andy Johnson. Those guys and several others seemed to spend the night in Linn-Mar's offensive backfield.

The Little Hawks finished with 165 rushing yards and 81 passing yards. Dwight was held below 100 for the first time this season, gaining 77 on 12 carries.

"We came out tough," Dwight understated. "The line did a hell of a job tonight."

After punting the ball away on its first possession and losing a fumble on its second, the City High offense made its presence known with a vengeance. Dwight scored the first of his

three first half TDs on a 1-yard run following a Linn-Mar fumble the second of three first-half turnovers for the Lions. There was 3:27 left in the first period when Dwight scored.

An avalanche of touchdowns followed. Grabinski scored on a 45-yard run with six seconds left in the period, and after Matt Gabel kicked the second of his five PATs, it was 14-0 Little Hawks.

In the second quarter, City High's touchdowns came on Dwight's 15-yard run from scrimmage and his 61-yard punt return, on a 12-yard pass from Grabinski to Brad Seaton, and on a 3-yard run by Grabinski.

"Walking out of the stadium, I got caught in a crowd of adult City High fans," Purnell said, "and one of 'em caught me by the arm, spun me around and asked, 'Are you gonna change professions?' I hate to let 'em know, but, no, I'm not going to auit.

IRVING, Texas (AP) - Emmitt Smith, the NFL's newest multimillionaire, put on his pads Friday for the first time since January but said he doesn't expect to be worth his money right away.

"Just give me the ball and let me go until I fall," said Smith, who became the wealthiest running back in the NFL Thursday night when he ended a bitter contract holdout by signing a four-year, \$13.6 million contract to return to the Dallas Cowboys.

Smith's financial package was front-loaded so the Cowboys could avoid a big hit when the salary cap kicks in next year.

Smith's total package for 1993 will be \$7 million, which includes a \$3 million salary and \$4 million in bonuses, some of it deferred. He got a \$2 million
