Marion moves closer

Indians drub No. 5 DeWitt, close in on playoff berth

By Jeff Linder

Gazette sportswriter ARION - Matt Wycoff stands atop the Marion High School career rushing list.

Better yet, his team stands atop Class 3A District 4.

Wycoff rushed 33 times for 157 yards and scored three touchdowns as the Indians blanked No. 5 DeWitt Central, 21-0, Friday at Thomas Park

That gave Wycoff 3,435 career yards, vaulting him past Todd Twachtmann and into the school record book.

"It's quite an honor," Wycoff said. "After the season's over, I'll be able to sit back

and cherish it until somebody else breaks it. But right now, I'm thinking about winning next week.'

The victory put the Indians (6-2 overall, 5-1 district) in a tie with the Sabers for the 3A-4 lead. Marion, obviously, owns the head-to-head tiebreaker with the Sabers (6-2, 5-1), and will claim the district title with a win in its regular-season finale next week at home against Western Dubuque.

"When we first started, we didn't talk about wins and losses," said first-year Marion coach Tony Perkins. "We just talked about starting a new tradition.

"I truly believe we're on the right path. We're for real." The Indians have a believer in Central Coach Dwight

Cedar Rapids Kennedy came into its game against Iowa City High brimming with confidence, and turned the tables on the Class 4A fourth-ranked Little Hawks, 40-36, in a key Mississippi Valley Conference showdown at Kingston Stadi-

It was the first time Kennedy has beaten City High since

"We wanted to win this game so badly," said senior quarterback Phillip Coonrod, who completed 9-of-15 passes for 156 yards and a touchdown. "We wanted to come out and just blow them away. We got down and came back — the chemistry on this team is just outstanding. We knew we could play this game and win this game.

Kennedy had possession of the ball for nearly 18 minutes in the 24-minute first half.

Coonrod wasn't Kennedy's only weapon. Ben Garin, a 5-foot-10, 180-pound senior, seemed to come out of nowhere to rush for 145 yards on 14 carries and scored four touchdowns. His TD trots covered 1, 1, 2 and 23 yards.

"He's been our secret all year," Kennedy Coach Don Knock said with a grin. "I pulled a new practice jersey out for him this week and I think maybe that proved to be the difference.

"It was all the line," Garin at 6-2 heading into next said. "They kept opening holes and I kept running hard. The receivers were setting downfield blocks and all I had to do was follow them and just keep going.'

Late Xavier rally closes the gap

But Saints need bulk and players to compete in MVC

By Jim Ecker

Gazette sportswriter CEDAR RAPIDS - Xavier football coach Duane Schulte wants all the best athletes at his school to participate in as many sports as possible and spend lots of time in the weight room.

That's what it will take to produce winning football teams in the future, he said Friday

Schulte pondered the future after Xavier fell behind Dubuque Wahlert, 45-0, in the

The loss dropped Xavier to 1-7 heading into next week's game at third-ranked Cedar Falls in the UNI-Dome.

"Our coaching staff expects every kid to be out for every sport possible and lift as many weights as they can," Schulte said at the end of a cold night. "That's what we expected out of

scored 27 straight points, partially against Wahlert reserves, to give their fans something to feel good about.

Schulte was cheered somewhat by the rally, but he's obviously not happy with the season overall.

"I just mean, we've got to get kids out for as many sports as possible," he said, returning to his theme. "And they've got to believe that hitting the weights pays off. Because every team we play proves that's true.

"Our future depends on how hard our kids work in terms of playing other sports and lifting weights. It's very simple.'

Xavier gained only 37 yards in the first half and had severe problems with its special teams, helping Wahlert score 28 points in the second quarter for a 31-0 cushion at halftime.

One of Xavier's punts hit a Saints blocker in the back, giving Wahlert prime field position for a 27-yard touchdown drive. Another punt was returned 31 yards by Wahlert's Mike Smothers, setting up another easy score. Another punt went 14 yards and was turned into a TD, and another punt was blocked into the end zone for a touchdown.

It was that kind of night. Justin Tranel passed for two

touchdowns and ran for another for Wahlert, hitting 11 of 16 passes for 147 yards. Matt Stoffel carried 14 times for 130 yards and had a 2-yard touchdown. Six different Golden Eagles scored touchdowns.
