The trademark Tiger Hawk logo and gold stripe had been stripped for the first time in school history, as Iowa faced Ohio State at Columbus, Ohio, in a battle of top 15ranked football teams.

This was their way to honor the five University of Iowa faculty members who were killed the previous day in Jessup and Van Allen Halls, when Gang Lu, a disgruntled ChiSee the A section Sunday for extensive coverage of the 1991 tragedy at the University of Iowa

Mississippi Valley Conference title accomplished. Undefeated regular season — accom-

State title — to be determined. Iowa City High secured its third goal of the season with a 27-0 win over Cedar Rapids Jefferson in an MVC football game Friday night at Bates Field.

"We still have the big oneleft, but this one pretty important as well," City High Coach Dan Sabers said. "There are 14 teams in the Valley, and we're the only one to go undefeated this season.'

The Little Hawks, ranked third in Class 4A, won its ninth game of the season the same way it has won all season - with a stingy defense and a high-powered offense.

ran its string of quarters without allowing a touchdown to 20.

The Little Hawks set a new school record with 56 points allowed this year, breaking the record of 57 set by last year's squad.

"Our defense has been there all season, and we knew if we got the shutout tonight that record was ours," City High defensive back Alex Ebinger said.

"We've taken a lot of pride in not giving up a touchdown in five games, and it's something that everyone on this defense would like to keep going for four more

City High's defense was definitely put to the test. Jefferson (4-5) rolled up 207 yards on the ground against the conference's top-rated rushing defense.

"Jefferson is a good football team, and they went right at us," Sabers said. "They were very physical and did a nice job of running the ball. Our guys adjusted, and we stayed very tough mentally to get the job done.'

On the other side of the ball, City High's Connor Jostes was 11 of 30 passing for 169 yards, but the senior had three com-City High posted its third shutout and pletions go for scores. Jostes has a school-

After an interception on the opening series, Jostes came back to complete five of his next eight passes on scoring drives of 79 and 75 yards to give the Little Hawks a 14-0 halftime lead.

"Connor had a couple interceptions, but he came back and made some big plays when we needed it," Sabers said. "He's 9-0 as a starter, so I can't say too many things bad about him.'

the nail on the head in our pregame mass," Xavier Coach Duane Schulte said. "He said to come out and play to our best potential, our best ability, and good things would happen. And that's what these guys did. We didn't do anything super spe-cial. We just tried to prepare for a good football team in Kennedy. We just tried to play hard."

Kennedy (5-4) leaped to its 14-0 lead thanks to a pair of big

The first was a 65-yard pass from quarterback Matt Keel to receiver Nick Mohwinkle that set up Keel's eventual 5-yard touchdown run. The second was a 75-yard fullback trap run for touchdown by Aaron Lag-

"We didn't really change anything," Schulte said. "It was a matter of two big plays that they had, so we just tried to stick with our same stuff and just keep pounding away."

Led by bruising fullback Peck, pound, pound, pound away was exactly what Xavier did. The senior toted the ball 31 times in the game and still didn't get to the 100-yard mark

finishing with '98. But those consistently tough runs and a key pass play here or there was enough. Peck scored on a 6-yard run by Peck two minutes into the second quarter, then bolted into the

end zone again from a yard out "I think Father O'Brien hit 37 seconds before halftime.

His winner came on a 4thand-goal play 1:02 into the final quarter.

"I've got to give a lot of credit to our defense," Peck said. "They gave up two early, but after that, they held them tight. We just wanted to wear them down. We know that we're in better shape than most teams. So we just wanted to keep pounding it down their throats.

Wasted opportunities is what best summed this one up for Kennedy.

The Cougars were inside the Xavier 35 three times in the second half but couldn't score. The game and season ended for Kennedy when Keel was stopped a yard shy on a 4thand-3 scramble at the Xavier 30 with a minute remaining.

Even worse, as it all played out, Kennedy got the necessary help it needed from other teams to qualify for the playoffs. All it had to do was win.

But the Cougars didn't. "You've got to give Xavier all the credit in the world," Kennedy Coach Tim Lewis said. "They are a great football team, and they could have folded their tent but didn't.

"At the same time, I always our guys to leave the field with no regrets. And I don't think these kids did."
