Lions pound C.R. Jefferson

The Gazette CEDAR RAPIDS - A lonely Cedar Rapids Jefferson fan slumped against a wall at Kingston Stadium Friday night, a cell phone propped to

"Mom?" he said. "Can you come get me? It ended early. In the third quarter. We got killed.

Then he hung up and waited for his ride.

That was the symbolic end of a perfectly awful night for the J-Hawks and a perfectly brilliant night for Deric Mickens and the Linn-Mar Lions. Linn-Mar won, 51-0, in one of the quickest Mississippi Valley football games in Metro

It ended with 7 minutes, 28 seconds left in the third quarter when Jon Krueger scored on a 19-yard run, forcing officials to invoke the 50-point mercy rule. Jefferson, winless at 0-5, never touched the ball in the second half.

Linn-Mar led, 45-0, at halftime, turning six Jefferson turnovers into quick scores.

'It was fumble, we're in. Fumble, we're in. Interception, we're in," Linn-Mar Coach Bob Read said. "I do feel bad about that."

He didn't feel nearly as bad as Jefferson Coach Jim Womochil.

"I don't want to say anything negative about our Fumble, field goal. kids, because we do have a great group of kids," he said in the somber Jefferson locker room. "Have they had suc-

Mickens, a 5-10, 185-pound senior with a washboard for a stomach, had a sensational first half for Linn-Mar. He scored four touchdowns, intercepted a pass, recovered a fumble and looked like an all-American.

"Oh, man," said Linn-Mar quarterback Clark Anderson, standing next to Mickens after the game. "I told him, he's a stud. He was all over the

that. He can play like that all the time."

Mickens ran 30 yards, 5 yards and 5 yards again for three TDs in the first half. He also turned a screen pass into a 77-yard touchdown, breaking tackles and stiff-arming the last defender to spring

"That run on the screen is probably one of the best runs 've seen in a long time from one of our fullbacks," Read said. "It was an outstanding

Mickens carried 15 times for 118 yards in the first half. The Lions received the second-half kickoff and Mickens got the ball five straight times, lugging the ball to the 50. Then Read took him out. It didn't matter.

Krueger scored easily from the 19 and it was over.

"I thought we played a realgood game all-around," said Mickens, humbly stating the obvious.

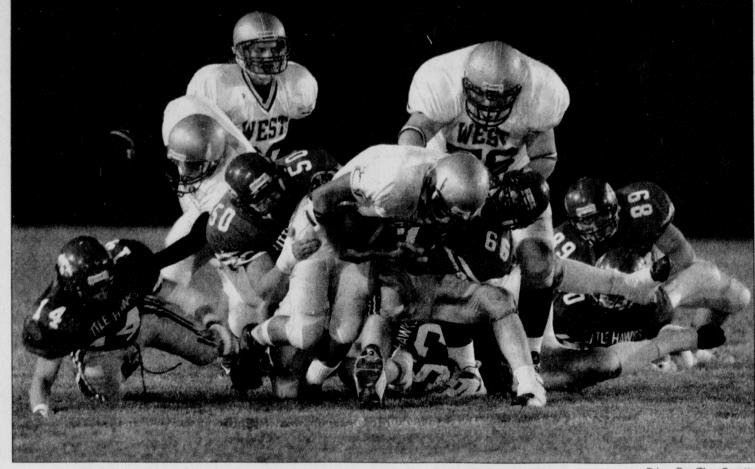

If Mickens made a mistake all night, it was not visible to the naked eye. "I'll have to watch the film Monday to see if I get yelled at," he said. Linn-Mar scored 31 points in the second quarter, turning a 14-0 lead into a 45-0 runaway. It went fumble, touchdown. Fumble, touchdown. Interception, touchdown. Fumble, touchdown.

The Lions had two long drives for TDs — 79 yards and 96 yards — without the benefit of a Jefferson turn-

Linn-Mar rolled up 307 yards in the first half, split almost evenly with 157 through the air and 150 on the ground.

"I didn't expect this," said Anderson, who passed for two touchdowns and ran for another. "We had a lot of luck that we haven't had in the past, and I think they had a lot of bad luck go their way.

"We know how that feels.

41.5 points per game.

West had the ball inside the City 20-yard line three times in the third quarter but came away empty on each drive.

One time, West tailback Ashton Winchel, who has two 300-yard games this season, was stopped by Little Hawks Nick Nuhlenbruch and Greg Altmaier for one yard on 4thand-2 from the 13. Defensive back Joel Rocca also stopped another drive with one of his three second-half interceptions, giving City High the ball at the 8.

"I knew it would be a tough matchup with our outstand- ing the ball.

ing defense and their outstanding offense," Rocca said. "It was going to come down to who was going to execute and stop the big plays.

"We just come up when there's big plays to be made. We've been doing it all year."

While the defense, which didn't allow an offensive touchdown in an upset win over No. 10 Cedar Falls last week, did its job, Eyman gave the Little Hawks the early momentum.

Faced with 4th-and-6 on his team's own 24 on the game's opening drive, Eyman went back in punt formation, but he had no intention of kickaround right end and sprinted down the sideline 76 yards for a touchdown with 10:24 remaining. "They overloaded us pretty

bad. They only had two guys on the right side," Eyman said. "We had been working on it all week just for that situation. It was perfect. I was surprised how free it

"That was a big play. It gave us all the momentum."

City High came out throwing the football from the shotgun formation. And Kennedy, the team's quarterback, was clicking. The senior completed 19 of 29 passes for 279

Instead, Eyman took off yards, with one touchdown and two interceptions. Grenko caught eight passes for 141 yards, including the 66-yard touchdown with 6:33 left in

> Little Hawk tailback Phil Kenney gained 116 yards on 13 carries, including a 16-yard touchdown with 5:01 left.

> "He was right on. He was just excellent," City High Coach Dan Sabers said of Kennedy. "Then in the second half, we were able to get a ground game going. Phil Kenney ran phenomenal.'

Special teams guide Xavier in blowout

By Mark Dukes

News correspondent

CEDAR RAPIDS — You know it's your night when your punter muffs a snap, scrambles out of trouble and races 66 yards for a touchdown.

Such was Cedar Rapids Xavier punter Jon Geppert's exclamationpoint, fourthquarter contribution as the Saints rolled to a 38-0 victory over parochial

Nick Weber

Third school rival punt-return TD Dubuque Wahlert in a Mississippi Valley Conference football game Friday night.

Defense, special teams and special plays carried the Saints until the offense got untracked in the second half.

Nick Weber thrilled the homecoming crowd with his third punt return for a touchdown this season, a school-record 81-yarder with 34 seconds left in the half. Weber broke the school record this season with a 79-yard punt return for a TD against Iowa City High.

"It's one of those things that special teams are onethird of the game," Xavier Coach Duane Schulte said. "We work on it like everybody else, and you just hope it works in the game. All the guys need to do their job. Another thing is our scout team gives us good looks every day in practice.

Weber's score put Xavier

on top 14-0.

"Good blocking was just the key," Weber said. "It was set up perfectly. I know Geppert had a great block on the

Saints rover Matt St. Andrews sparked his team on Wahlert's second play, knifing in front of a receiver to intercept a pass at the Golden

Eagle 33. He returned the ball to just short of the goal line.

Quarterback Mike Sayre, who threw two second-half TD passes, sneaked in the remaining yard with only 45 seconds gone.

Wahlert ran 38 plays to Xavier's 15 in the first half, yet trailed on the scoreboard, 17-0. The Golden Eagles (2-3) had 11- and 14-play drives result in nothing. Tailback Brennan McCarron was a workhorse, carrying 33 times for 138 yards, but Wahlert couldn't finish drives.

The Saints (5-0) scored twice in the last minute of the half. Weber's punt return was followed by a 33-yard field goal by Adam Valenta as the half expired.

The field goal was set up by a blocked punt by Danny Shedek. Curiously, Wahlert ran running plays on first and second down, and called two timeouts. Xavier called timeout after stopping Wahlert on third down, setting up the blocked punt.

Weber ran a solid post pattern and Sayre threw a 27yard touchdown pass on Xavier's second possession of the second half. Sayre connected with John Maher on a 20-yard TD pass with 8:28 remaining, putting Xavier ahead 31-0.

Xavier, ranked No. 8 in Class 4A, faces a daunting schedule the rest of the way. The Saints play No. 2 Cedar Rapids Washington Thursday at Kingston Stadium, then travel to No. 4 Iowa City West and unranked Cedar Rapids Prairie before closing at home against No. 10 Cedar

"This is analagous to the Iowa State and Iowa schedules this year," Schulte said. "It doesn't get easy in this league.'

quarter to either tie the game or go ahead, but all three

The first came after quarterback Nick Nelson threw a beautiful 62-yard touchdown pass to Noah Dreyer to bring the Tigers within 13-12 with 10:17 left in the game. But the snap on the PAT attempt was mishandled, so the opportunity to tie the game went by the wayside.

After Washington punted, Cedar Falls moved the ball down to the 17, but a bad snap on a 24-yard field goal attempt again ruined a scoring opportunity, and the Warriors took over on their own

The Tigers got the ball back one last time on the Washington 47 and were a team on the move. They were looking at a 1st-and-10 on the Warrior 10 when Nelson threw the ill-fated pass that was picked 1:39 remaining.

The Warriors did welcome the return of junior tailback Travis Rhone who was forced to sit out a one-game suspension last week. Rhone dazzled a large crowd with 197 yards vards and a touchdown on 26 carries, which accounted for about four-fifths of the Washington's 251 rushing yards.

The Warriors' passing game was in shambles all night. Quarterback Warren Suess completed 3 of 14 passyards and was picked off twice. He was intercepted twice in the first four games.

Nelson was much more effective for Cedar Falls, completing 12 of 25 for 202 yards with the one pick. The Washington defense limited the Tigers to 80 yards on the ground.

Washington led at halftime, 13-6, following a ragged first half in which the Warriors turned it over three times off by Cantrell at the 10 with and the Tigers twice.

The Warriors struck first. After intercepting a Suess pass at their 22, the Tigers handed the ball to A.J. Manfull, who was popped from behind at the 23 and fumbled. The ball tumbled up to the 27 where it was picked up by Washington's Adrian Arrington, who sprinted down the right sideline and into the end zone at the 9:20 mark of the first quarter.

Then after two field goals by Michael Hanish, Washington's offense added another touchdown when Rhone took a handoff from Suess, shedded would-be tacklers near the line of scrimmage, and scampered 43 yards with 7:04 left in the half.

Kennedy holds off **Waterloo West**

WATERLOO — Cedar Rapids Kennedy built a 21-10 lead and held on to defeat Waterloo West, 21-18, in a prep football game Friday night.

Kennedy's defense held West to one first down and 29 yards in the second half.

Derek Hinke caught a 51yard touchdown pass from Mark Paterson with 7:55 left in the fourth quarter to give the Cougars (1-4) a 21-10 lead.

David Banks ran ensuing kickoff back 88 yards for West, but the Wahawks were held scoreless on their final two possessions.

Curtis Meier scored on a 62-yard run with 1:33 left in the third quarter for Kennedy. Meier finished with 128 yards rushing on 26 carries.

Paterson threw a 27-yard TD pass to Brad Christensen, completing 11 of 19 passes for 189 yards. Kennedy had 330 yards of total offense, with 206 coming in the second half.

Turnovers doom Prairie in loss to Hempstead

CEDAR RAPIDS — Momen-

Rapids Prairie learned in see-Dubuque Hempstead make the most of three second half turnovers by the Hawks — including a pair on Prairie first two drives in the second half — as the Mustangs defeated Prairie, 14-11 at John Wall Field last night. "Turnovers equated into points," said Prairie Coach Craig Jelinek, who saw his team drop to 1-4 on the season. "Our turnovers killed us again.

What made it even tougher for the Hawks on their homecoming night is that Prairie had created two turnovers of their own in the first 30 minutes, including a fumble recovery in their own end zone for a touchback on the final play of the first half.

"He's such a nice runner. He made some nice cuts and kept us in the game," said Ehlers, who saw his team raise its record to 4-1. "We came away with a victory and we're happy.'

Making matters worse for Prairie is that several players were carried off the field,

Prairie escaped a disaster with seconds left in the first half when Hempstead quarterback Brian Putnam found Adam Gross for a 49-yard completion, but he fumbled and Prairie recovered for a touchback.
