It was the second time this season the Cougars beat the eighth-ranked Hawks (7-3) in overtime. It's the third straight time these teams have played into overtime.

"I'm so proud of these guys right now," said Kennedy Coach Tim Lewis, who has the program in the postseason for the first time since 1999. "They had plenty of opportunities to fold, and they just didn't. "That's playoff football."

Prairie still hasn't won a playoff game since the 1981 state championship game. Coach Craig Jelinek could have played it safe and try to send the game into a second overtime by kicking the PAT, but opted to go for the win with Jamie Klith running right up the gut.

He was stopped about a half-yard short. "We had to end it," Jelinek said. "Their offense is too tough. We thought Jamie could do it, and we just felt we had to end it.

"And we also turned the ball over too much." Incredibly, Prairie lost five fumbles, including two in the final minutes.

By Jeff Johnson The Gazette

They blocked a punt four plays into the game. They took good field position from that to score a touchdown.

They watched the opposing team's best running back, one of the state's best running backs, leave the game on the next series with what looked like a bad leg injury.

The pieces to construct a huge playoff upset seemed to be there for the Cedar Rapids Washington Warriors last night. Then they disappeared ... quickly.

Showing they are indeed turf titans, the Cedar Falls Tigers scored 51 unanswered points to throttle Washington, 51-7, in a Class 4A postseason football opener at the UNI-Dome.

Cedar Falls (9-1) was able to shake off a loss in its regular-season finale last Friday to Cedar Rapids Prairie to advance to the quarterfinals Monday night against Cedar Rapids Kennedy, which beat Prairie in overtime last

in the regular season under the into a Stu Craig 2-yard TD run, aluminum roof of the Dome, 35-0.

It was Lee Wilwert who snuck in and got a piece of Cedar Falls' opening punt, giving Washington (6-4) its first possession at the CF 49. A nice mix of run and pass moved the ball to the 2, where quarterback Will Suess threw a play-action touchdown pass to tight end Nick Lenzen.

Joe Drahos' extra point made it 7-0 Warriors with 6:16 to go in the opening quarter. That's pretty much the end of the good news for Washington.

Cedar Falls was stymied offensively for about the first 10 1/2 minutes, but it took all of 10 to 15 seconds for the tide to turn its way. That's how long it took CF quarterback Ben Curran to throw a 3rd-and-6 crossing pass at midfield to twin brother Nate, with Nate finding the sideline and outrunning every Washington defender for a touchdown and, with the extra point, a tie game.

Washington then fumbled the ball away on its next possession, night. The Tigers beat Washington Cedar Falls turned that mistake

and that was pretty much all she wrote. Craig replaced Taylor Brookins at tailback for the Tigers after the latter was hurt midway through the first quarter when he was hit low by a Warrior.

Brookins did come back to play two series in the second quarter, though Craig did a great job in his stead, rushing for 172 yards and four touchdowns on 23 carries. Ben Curran completed 8 of 18 throws for 178 yards and two touchdowns, as Cedar Falls ran to a 23-7 halftime lead.

Any thoughts of a Warrior comeback went by the wayside on the opening possession of the second half, when Suess was intercepted deep in Washington territory. That turned into a 13-yard Craig TD run and a 30-7 Cedar Falls lead.

Suess struggled to find open receivers after Washington's first couple of drives. He ended the game 10 of 22 for 70 yards.

Washington's Paki O'Meara was limited to 77 yards on 22 carries.

WEST UNION — Speed kills. And speed thrills. It just depends on who you're rooting

Second-ranked North Fayette sprinted to 413 rushing yards, and got a touchdown each from its defensive and special-teams units in a 49-26 victory over battered Center Point-Urbana in a Class 2A first-round football playoff game last night at North Fayette High School. The Hawks finished with 444 yards of total offense, averaging 9.1 yards on its 49 offensive

That included a total of two passes. The way North Fayette was running, there was no need to throw.

"Our line was just killing them," Moser said. "We ran up the middle, and our center kept knocking their guys on their butt.'

Moser netted his 180 yards on 22 carries. Devin Fonley added 137 yards on 10 rushes and added two TDs.

The Hawks scored on all four of their first-half possessions, and also struck on a 79-yard kickoff return by Blake Suckow, in building a 35-13 halftime lead.

"I knew it was going to be a struggle," said Center Point-Urbana Coach Ted Rogers. "We have nine two-way starters, and seven of them have been out the last three weeks (with injuries). But even if we'd have been healthy, who knows how competitive we'd have been.

# Top-ranked West Branch shuts out overmatched Tipton By Barry Pump Butch Pedersen said. "We didn't Coach Mike Wehde said. "We told "We just did what we had to battle of heavyweights" City/Little Hawks win battle of heavyweights

News correspondent WEST BRANCH — Top-ranked West Branch continued its roll to the state championship last night by shutting down Tipton, 28-0, at Oliphant Street Field in a firstround Class 1A football playoff

But the phrase of the night for the undefeated Bears was "wakeup call.

"I think we came out flat," quarterback Caleb Walter said. "I think it's a good wake-up call for

Walter went 7 of 16 with one interception for 85 yards. He connected with Brady Eagle on a 7-yard touchdown pass in the third quarter, and he scored on a 5-yard run in the second.

The offensive magic that has the junior averaging 156 passing yards a game, however, wasn't

"We played well enough to win

Tipton, suffering from the dual losses of starting quarterback Nick Grimoskas and leading rusher Michael Stegall to injury, played to stay in the game. The closest the Tigers (5-5) got

to scoring was in the fourth quarter when Michael Black broke free for a 50-yard run to the West Branch 15. But a stingy Bears defense and a penalty eventually moved Tipton back to the 20, leaving it with a 37-yard field goal attempt by Phil Knecht that

Black led his team with 58 yards on 13 carries, followed by Matt O'Donnell with 54 vards. Black and O'Donnell were among many sophomores to see action on a short-handed squad.

The Bears scored on their first two possessions, on a 10-yard run by Aaron Sutton and then the 5-yarder by Walter.

Quarterback Mike Hayward then had a 9-yard draw, putting the ball at the 7 and forcing the Little Hawks to burn a timeout. In a bizarre play, Billy Rembold then had his 23-yard field goal blocked. But the ball still got over the goal post by about a foot for the go-ahead points.

City High, however, was left with 1:13 remaining and two timeouts.

"I was happy we had that much time. knew if we had that much time we would drive down the field like we did," said Gilmore, who completed 15 of 19 passes for 184 yards and rushed 15 times for 30 yards and a touchdown.

Bettendorf Coach Randy Scott wasn't second-guessing himself for leaving the Little Hawks too much time.

"I have faith in our kicker and I have faith in our defense," Scott said. "I'm going to take the points. What beat us was a perfect pass. We had great coverage on it.

All week, Sabers showed his players films of past playoff classics between the Little Hawks and Bettendorf.

Sabers can't remember a fantastic finish like this in any of the previous eight postseason meetings, five of which were won by Bettendorf. "This is probably the most storied rivalry

in history. It's two heavyweights just going at it," said Evans, who had four receptions for 83 yards. "Coach Sabers said we had to battle for 48 minutes and we did that tonight.

Last season, Bettendorf beat City High. 34-17, in the semifinals on its way to the title. Interestingly, the winner of the game has gone on to capture the state title on six occasions.

Bettendorf junior receiver Colin Sandeman, who caught 39 passes for 776 yards and a Mississippi Athletic Conference-record 15 touchdowns in the regular season, was held in check last night.

Sandeman had five receptions for 34 yards and one touchdown.

"We were getting pressure. The quarterback was running around a lot, and it's hard to get a read for things," Sabers said.
