

The Kennedy football program has historical game tapes available. While a little disorganized at the moment, it is believed all 49 years of game tapes still exist, all in various formats, DVD, VHS, and 8mm. If you are interested in obtaining copies of game tapes, please email Jeff McGuire at jeffreymcguire25@gmail.com. While DVD's are easy to copy, we haven't begun the process of converting older versions (VHS and 8mm) to DVD yet. Although we don't know the cost to convert the 8mm films, our hope is it is not too costly. We would like to offer the game tapes for sale at \$10 per game or \$75 per season (including playoffs). We believe this is a modest cost, and all proceeds are provided to the football program.
